Hi Pat,

Sorry for the delay. I do like the new version and the bullets that supports the characteristics of EBD. You guys are in the day to day operations so I am willing to hear your thoughts on it. If everyone is a go, please let me know so that we can send it out the participants.

Nakeba

**Subject:** Consideration of Services - Revised

Good morning Steve, Whitney & Nakeba,

I wanted you each to take a look at the consideration of services student information packet based on the discussion yesterday about insuring that the EBD part is removed.

Please review the highlighted area and let me know what you think. Should we keep in those 45 criteria and just not mention EBD or take that part out competely? I also included the verbiage from the rule in the first part as you'll see.

Thanks for reviewing it. After I hear back, Nakeba, do you want me to forward the forms to the Directors, or do you want to send them out in a mass email?

Pat
